

# C2D STUDIO COVID POLICIES

Chance 2 Dance is excited to get back to dance for the 2020-2021 school year and we know you are eager to know what that looks like!

We will be offering in-studio and digital classes starting in Fall 2020, leading up to our annual recital in May/June of 2021. As the River Valley navigates the COVID-19 pandemic, we at C2D commit to pivoting and adjusting as needed to always keep the health and safety of our students and staff a priority.

## **In-Studio Guidelines**

To safely open for classes, the following guidelines will ensure that we limit the amount of close contact between students and faculty in high-traffic situations and times. These steps include:

- Staff will go through a health screening prior to teaching including having their temperature taken
- Staff will wear masks at all times
- Prior to entry dancers must be able to answer NO to the following:
  - Do you have a cough?
  - Shortness of breath?
  - Do you have a fever of 100.4?
  - Have you been in close contact with a person known to have COVID-19 in the last 14 days?
- Anyone age 11 and up will need to wear a mask while in the common areas of the studio (dancers do not have to wear masks while dancing)
- Separate entrance and exit (at VB studio)
- Limited class sizes
- Sanitation of classrooms before/after each class
- Floor markings in classroom to allow for appropriate physical distancing
- Limited lobby access to reduce congestion
  - Parents may come in to bring their little ones to their classroom and/or make a payment, but will need to wait outside
  - If child needs to use the restroom or any if there are any other issues parents will be contacted to come in the studio
- Dancer pick-up and drop-off occurs outside
  - Parents of very young dancers may walk them to their classroom
- Dancers receive a Bonus Zoom Class Subscription when registered for In-Studio classes.

## **Digital Classes**

Digital classes will be offered for dancers and families who are high risk and want to limit their social exposure. You can register for Zoom classes on our website. In-studio dancers will receive a free subscription to Zoom classes to be used in the event they have to miss due to exposure, COVID-19, or any other sickness/reason.

## **COVID-19 Accommodations**

Modifications to the offerings at Chance 2 Dance may happen mid-season due to the COVID-19 global pandemic. C2D will provide reasonable accommodations to all of our customers.

We will pivot to a hybrid classroom and offer classes via Zoom if required, until it is safe for us to return. Due to COVID-19 exposure, we may have to close a class, day of classes, or the entire studio if community spread becomes substantial. Periods of closure could be: 24 hours, 1-3 days, 14 days, or longer periods based on ADH guidance.
